## Journal concept

EuroIntervention, an international, English peer-reviewed journal, published in both print and web formats, strives to create a forum of high-quality research and education in the field of percutaneous and surgical cardiovascular intervention.

The official publication of EuroPCR and the European Association of Percutaneous Cardiovascular Interventions (EAPCI), EuroIntervention is endorsed by the European Society of Cardiology (ESC).

The journal is indexed in MEDLINE/PubMed (Abbreviation: EuroIntervention)

Under the leadership of Prof. Patrick W. Serruys and his Editorial Board, the journal draws a strong and active support from key opinion leaders.

## Readership

**Our worldwide readership includes demanding practitioners, cardiologists, cardiac surgeons, vascular surgeons, radiologists, nurses and technicians...as well as national society members and institutions.**

They rely on EuroIntervention to keep their scientific knowledge up-to-date, with the very latest information on techniques and innovations, important current studies and registries as well as a critical look at the profession.

## Why subscribe?

**Because it's the only way to get EuroIntervention!**
