DAPT duration - PCR Algorithm

**ACS**

- Yes
- No

**PRECISE DAPT ≥ 25 or OAC**

- Yes
  - 6 months
  - > 1 year
- No
  - 3 months
  - 6 months

1: if OAC is needed, DAPT may be omitted (no triple therapy) or preferably given for 1-3 mo(s)
2: > 6 months to be considered in case a complex PCI has been undertaken

Routine PPI to be considered in all patients

M. VALGIMIGLI – May 2018
