

Presenters Disclosure Summary

PCR London Valves is committed to ensuring balance, independence, objectivity, and scientific rigor in its sponsored educational activities.

Contributors in a position to control the content for an PCR London Valves-sponsored activity are expected to disclose to the activity audience all relevant financial relationships during the past 12 months with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services related to the content of the activity and any commercial supporters of the activity. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labelled for the use under discussion or that the product is still investigational.

Information contained is as of 26/11/2022. If a presenter's name is not listed, then he/she had nothing to disclose
