

ALFIERI'S BOOT CAMP

From the basics to mastering perfection of Edge to Edge

WHAT'S ON THE PROGRAMME?

First day

- 14:30:** Welcome and networking
- 15:00:** Meet Prof. Alfieri
- 15:30:** Surgical evidence (M. De Bonis)
- 16:00:** M-TEER evidence (P. Denti)
- 16:30:** Break
- 16:45:** T-TEER evidence (N. Buzzatti)
- 17:15:** TEERvs TMVR/TTVR and annuloplasty (F. Maisano)
- 17:45:** Q&A and coffee break
- 18:00:** The history and the future of TEER (F. Maisano)
- 20:00:** Dinner

Second day

- 08:30:** Cases presentation and heart team discussion
- 09:00:** Surgical LIVE case and echo pills
- 12:00:** Echo evaluation and wrap up
- 13:00:** Lunch break
- 14:00:** Anatomy demonstration on pig hearts and hands on (wet lab, 1 pig every two participants)
- 16:00:** Break
- 16:15:** Hands on parallel sessions
- 17:15:** Break
- 17:30:** Hands on parallel sessions
- 18:30:** Keynote lecture: simulation based learning (hemodynamics models guiding our current decisions (P. Redaelli))

Third day

08:30: Case presentation M-TEER

09:00: LIVE case M-TEER

10:00: Echo evaluation and wrap up

10:30: Break

10:45: Hands on parallel sessions

11:45: Lunch break

12:15: LIVE case T-TEER

13:30: Echo evaluation and wrap up

14:30: Hands on parallel sessions

15:30: Strategy for surgical E2E, M-TEER and T-TEER, complication management (leaflet entanglement, stenosis, leaflet perforation, SLA, transseptal failure).

16:30: LIB

17:15: Break

17:30: Test

18:30: Certification ceremony

**SINCERE THANKS TO THE INDUSTRY PARTNER
FOR THEIR SIMULATION SUPPORT**
